

## **CSC Minutes-September 8, 2016**

**Attendees:** Caitli Dolegowski, Lynn Heintzman, Erica Carlson, Evyenia Pappas, Mindy Klowden, Adrienne Oliver, Kristin Shiramizu, Anna Solero, Michon Schmidt

Go to the Brown website to look up our Collaborative School Committee page to find what CSC does, our agenda and minutes from our monthly meetings.

We still need a classified person and a business person to serve on our CSC committee.

We want CSC to be the place for hot topics or as a think tank where we can bring up issues/concerns AND celebrations or things we want to learn more about.

Enrollment- We are at 638 kids which is 10 over fall projections. We will have about \$39,660 extra. Its almost spent because we need a .5 kinder para (start date 9.12.2016). Some of that money will also go towards Coach Betsy and her position of hosting Fitness Breaks here at Brown.

Home visits: SLT & Culture and Equity teams are helping set up expectations for families and staff for what that looks like.

Would it be a good idea to do it towards the end of the year to meet new teachers or sometime over the summer?

Lets be sure that our teachers/the school are communicating that this doesn't have to happen at their home.

Bloomz-creating best practices so that we aren't getting 60 emails a day.

CMAS/PARCC scores were released. Please see attached agenda for scores.
